

# Lucky Shamrock

Tuesday, 17 February 2009

## What you Need:

Pencil  
Scissors  
Glue  
Light and dark green construction paper  
Light blue construction paper

## What to Do:

Have child place hand, palm side down, on the dark green construction paper and trace for a hand pattern. Repeat two more times to make three hand patterns.

Have child cut out the hand prints.

Cut out the patterns after printing them out by [clicking here](#).

Using the light green shamrock leaf pattern, trace and cut out three leaves on light green paper.

Trace the stem pattern on dark green construction paper, cut out.

Glue them stem, then the three clover leaves, then the hand prints onto the blue construction paper.

Have child write his or her name at the top or on the back.
