

Shamrock Mask

Tuesday, 17 February 2009

What You Need:

Green construction paper
Pencils
Scissors
Green yarn, string or ribbon
Glue
Stapler

What You Do:

1. Draw a shamrock on a piece of green construction paper.
2. Make sure the shamrock is large enough to cover your face.
3. Cut the shamrock out.
4. Draw eye holes and cut them out too.
5. Glue green wool around the outside of the shamrock to add strength.
6. Attach yarn to the shamrock using a stapler. (so you can tie the mask to your head)
